Dear Will

I recd a letter from Sister to Ben and
I thought it needed my answer and I wrote to
Sister and told her the piano was for Poppie
and she could do as she liked with it. She said
I could send the piano over this eve - I had plenty
of wagons then - One wagon is broke down
the other has a load of wheat on it - to send to
mill - so she did not know. She wrote me
Saturday she would go down and sign the
deed. if I would send the piano - hence
I make the above statement - Hope you will
write me position whether or not you
all will sign the deed. I should never
have included your names in the deed
if you had not told me so. Please let me
know at once and if you sign when as the
deed is in Mr. Fugate hand now.

Yours most Respect
Guthrie
